TERMINAL DISCLAIMER

Honorable Commissioner for Patents  
U.S. Patent and Trademark Office  
Randolph Building, Mail Stop Amendments  
401 Dulany Street  
Alexandria, VA 22314

Sir:

Brainsgate Ltd, a corporation of the Country of Israel, having a principal place of business at Hanotea Street 10 Moshay Mazor, Israel 73160, (hereinafter referred to as "Assignee"), is the owner of 100% of the entire right, title and interest in the present application (identified above) and any patent to be granted thereon. Assignee, through its undersigned attorney of record, hereby disclaims the terminal part of any patent granted on the present application which would extend beyond the expiration date of the full statutory term of any patent which issues from application no.

10/258,714, plus any extension thereof which may be subsequently granted, and hereby agrees that any patent so granted on the present application shall be enforceable only for and during such period that said patent is commonly owned with any patent which issues from application no. 10/258,714, this agreement to run with any patent granted on the present application and to be binding upon the grantor, its successors or assigns. Assignee does not disclaim any terminal part of any patent granted on the present application prior to the expiration date of the full statutory term of any patent which issues from application no. 10/258,714 in the event that the latter patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(1), has all claims cancelled by reexamination certificate, or is otherwise terminated prior to expiration of its full statutory term, except for the separation of legal title stated above. This terminal disclaimer is being made without waiver of petitioner's rights under 35 U.S.C. §156, or elsewhere, which may be available to extend the term of any patent granted on the present application beyond the date set by this terminal disclaimer (37 C.F.R. §1.775(a)).

It is Assignee's intent that the amount of time disclaimed and the scope of the common ownership clause be the

minimum required by law and this document is to be construed to effectuate said intent. No admission is made that any claim of the present application is obvious over any claim of any patent which issues from application no. 10/258,714.

The statutory disclaimer fee of \$65.00 for a small entity per 37 C.F.R. §1.20(d) is attached.

Respectfully submitted,
